TROY AK-47 M-LOK® BATTLE RAILS®

In response to strong customer demand, TROY is proud to offer their M-LOK® rails for AK-47. Machined from hardened aircraft aluminum with stainless steel components and finished with a MIL-SPEC hardcoat anodizing, these new M-LOK® rails are light and sleek. Multiple attachment points makes for easy installation of mounts and accessories.

Long Rail : 13.5"

Short Rail : 10"

Features

- Rail design provides for increased cooling capability, even after extended firing.
- No gunsmithing required
- Accepts M-LOK® rail section and accessories

Railed Gas Tube will fit Russian, Romanian, Bulgarian, Chinese, US and Others AKs (stamped and milled) with a standard length gas tube. Handguards will fit stamped receiver AKs (not milled receiver). Will work with some Bulgarian, Romanian and Egyptian lower handguard retainers. Others may need some minor modification to fit properly. Contact tech@troyind.com to see if our rails are compatible with your AK47.
